Describe the problem. Include symptoms, plant parts affected, pattern of occurrence, etc.

_____

_____

_____

Diagnosis/ Recommendations: _____

_____

_____

_____

The MREC Courtesy Plant Clinic is supported by numerous Extension Agents and Specialists. For time sensitive, regulatory, or specialized diagnostic needs, samples may be submitted directly to the UF/IFAS Plant Diagnostic Center (Gainesville). Laboratory fees apply. Visit the following link: https://diagnostics.ifas.ufl.edu/

The Institute of Food and Agricultural Sciences (IFAS) is an Equal Opportunity-Affirmative Action Employer authorized to provide research, educational information and other services only to individuals and institutions that function without regard to race, color, sex, age, disability, or national origin. UF-IFAS is a public institution. As such, diagnostic records and reports may be subject to records requests under Florida's broad open records laws. (8-4-2026)
